The Sub Division

Officer of French Rocks now reports that the Chettinnu building has since been very much damaged by heavy showers and the consequent additional repairs are necessary, and that if the repairs are not executed at an early date it may entail further outlay. A revised estimate for Rs 4127 received from the Sub Division Officer is therefore submitted herewith for sanction, the charge being met as before, partly from the Kosa head fund of the Chettinnu and partly from the General Surplus Fund of the District. The Treasury Officers Certificate shewing the balance at the credit of the General Surplus Fund is engrossed on the estimate and the balance at the credit of the Chettinnu appears to be the same Rs 2 ... as

be insufficient to
met the cost of their
repairs.

Enclosure No. 2

His docket No. 202 dated
31st May 1899, submitting
a revised Estimate amounting
to Rs 412 for repairing the
Muzrai Anna Chattram at
Chin Kurli, Krishnarajpet
Taluk.

An estimate for Rs 127
for repairing the Anna
chattram at Chin Kurli
was Sanctioned in 1898 in
Government Pro No. 503-4
dated 3rd November 1898.
No work has however been
executed till now and it
having been found that
additional repairs

besides those provided for
in the original Estimate
for Rs 127 are now necessary
the Dy Comr has submitted
for the Sanction of Govt a
revised Estimate for all
the repairs needed to the Dustu
This Estimate amounts to
Rs 412; and as the Savings
available at the credit of the
Chattram are only Rs 29, the
Dy Comr proposes to meet
the balance of the estimated
cost, namely Rs 383 from
the Govt Muzrai Surplus Funds
of the Mysore District. This
proposal does not commend
itself to Govt and the Dy Comr
is therefore requested to at once
discontinue, either wholly or
partially, the feeding in the
Chattram until such period
as may be necessary to allow
sufficient funds to accumulate
for its repairs, as laid down
in the Chief Comrs Circular
No 4 dated 3rd October ~~1870~~ 1871.
This rule will, in future
be invariably adopted
in all cases where the
Chattram funds are found

An Estimate amounting to Rs 127/- was sanctioned in Government Proceedings No. 503-4 dated 3d. November 1898 for repairing the Government Anna Chetthrum at Chinkurli in the Krishnarajpet Taluk. The Amildar states that the building was subse-

quent

damaged by the heavy rains, and that under the present circumstances the Repairs would cost Rs 662-0-0. A fresh Estimate for that amount received from the Amildar is herewith submitted for Sanction as the Sub Division Officer also recommends it. A Statement showing that a Sum of Rs 741-0-0 was saved from the fixed allowances of the Chathrum from 1892 up to November 1898 and the same credited to the General Surplus Fund of the District is included in the accompanying file of Vernacular Correspondence on the Subject and the Treasury Officers Certificate shewing the amount available thereunder from which the Cost may now be met is engrossed on the Estimate.

Should the fresh Estimate be Sanctioned the original Estimate for Rs 127/- may be Cancelled.
